## HISTORY CLUE #13

In 1962, Seattle hosted a World's Fair called "Century 21" at what is now Seattle Center. Millions of people from all over the world attended the fair. For more about this event, read page 13 of Bart's Travelogue.

If you don't already have a Travelogue, you can find one at the front of your local Bartell Drugs store — or visit [historylink.org/bart](http://historylink.org/bart).

**YOUR MISSION:** If you can, visit Seattle Center. Seattle Center is home to a special mural created by Paul Horiuchi for the 1962 fair and designed to symbolize Seattle's cultural diversity. For more information about Horiuchi and his mural see it for yourself or go to [HistoryLink.org](http://HistoryLink.org). Complete the following information, then drop your entry in a Bartell Drugs Magical History Tour drop box or mail it to the address below.
