## HISTORY CLUE #10

Early Bartell Drugs stores made their own peanut brittle and hand-dipped cherries.

Bartell's stores no longer make sweets, but they do carry a wide supply of candy, including some choices invented decades ago. To learn more about Bartell's candy, read page 10 of Bart's Travelogue. If you don't already have a Travelogue, you can find one at the front of your local Bartell Drugs store — or visit [historylink.org/bart](http://historylink.org/bart).

**YOUR MISSION:** Visit a nearby candy store and see if they have George Bartell, Sr.'s favorites — peanut brittle and chocolate-covered cherries. If they do, enter the price of those candies. If they don't have either candy, just pick one that sounds delicious! Complete the following information, then drop your entry in a Bartell Drugs Magical History Tour drop box or mail it to the address below.
