BUSINESS-INDUSTRIAL DIGEST:
Administration to Keep Watch On Basic-Industry Wages, Prices

A writer on the economy is a relentless townsman. He said Seattle is a poor place to be. The city is a commercial hub, but it is also a place where businesses are forced to monitor each other's financial health closely. The city has a strong tradition of competition, and businesses often compete on the basis of price. This is why it is important for businesses to keep an eye on the economy, and to look out for each other's interests. It is also important for businesses to be aware of the latest developments in the economy, and to be prepared to respond to changes in the market. This is why it is important for businesses to keep track of the latest news and developments, and to be aware of the latest trends and innovations. It is also important for businesses to be aware of the latest developments in the economy, and to be prepared to respond to changes in the market.
